7. PAN Number; AAAAY0462F
8. CSR activities and Registration number-CSR00032935

Organisation Profile: *A brief Note*

YAVARD is a non- profit secular organization registered under the society registration Act. 1860. It is particularly a developmental organization with a primary focus on enabling marginalized communities to their developmental process. It was back in 1992, when YAVARD started its journey consisting of few enterprising youth of the locality led by Mr. Ajay Mahanta (Presently President of the Organization) in an informal shape. However it got registered only in 93-94 under the Society Registration Act 1860 (Registration No: SGD 1256-64/93-94) and Foreign Contribution Regulation Act in the year 1998-99(Registration No: 1050700037)

YAVARD is now operating in more than 92 villages in 8 GPs in Lahunipara Block and 22 villages of Koida Block of Sundargarh district of Orissa. After successful intervention at Lahunipara it has extended its geographical area of work to Koida, Lahunipara, Bonai, Gurundia Block of Sundargarh district, Barkot, Tileibani, Reamal block of

Deogargh district, Pallahara block of Angul district and Kota block of Bilaspur (Chhatisgarh). After an in depth study and critical analysis of the situation in a very participatory manner with the people our organization formulated its intervention strategy thrusting upon liberalization of the underprivileged and marginalized sections of the society with an integrated development approach. Since inception we have been striving to address the basic issues of people/society and have been successful in winning over the confidence of people.

Our focus has been more on facilitating organization building process of the people at grass-root level. In the operational areas, our activities are mostly directed towards facilitating the empowerment of poor and marginalized tribal and other backward sections of the society through issue based campaigns, developing alternative leadership among the poor and enabling them to participate in the mainstream development. Towards this end, the organization has taken sincere efforts in initiating dialogues,

organizing issue focused discussion meetings, organizing training programs and workshops on various socio-economic issues, panchayati raj, marketing of minor forest produces by the SHGs, govt. welfare schemes, spreading awareness on different local and national issues. Mobilizing tribal women and organizing them on socio economic and political issues has become

the focus of the organization. Village level women organizations have been formed and the women are now actively involved in the development process. The organization has facilitated self-help initiative of the tribal women and as a result hundreds of women SHGs have been formed in Lahunipara, Koira, Barkot, Reamal& Pallahara block and they are being managed by themselves.

VISION

YAVARD visualizes a society in which peace, justice and equality prevail and wherein all citizens irrespective of caste, creed and language and religion live in peace and communal harmony YAVARD also envisages a society where the poor, the marginalized and the under privileged have equal opportunity for their involvement in the developmental process which is value based and sustainable and also have appropriate environment to develop their fullest potential.

MISSION

To strive for a peaceful, contended, prosperous, educated, happy and healthy community with prevalence of cultural, communal, linguistic and racial amity, Friendship and brotherhood having but renewed emphasis on the protection and presentation of the environment and to propagate the value and real culture of democracy as the only viable choice of the people in general or particular.

CORE PRINCIPLES
